Dear Victor Quinones:

Welcome to the most exclusive community in business! On behalf of the entire Inc. team, I am delighted to inform you that Virtual-Q has earned the position of No. 1,106 on the 2022 Inc. 5000.

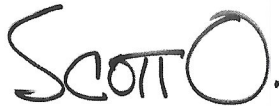

Each year for more than 40 years, Inc. has recognized the fastest-growing private companies in America. This year, the winners have, once again, set the bar very high. Companies that made the list, on average, have grown nearly eightfold since 2018. Through all of the tumult of the past year, you managed to be named among the very best America has to offer.

As an Inc. 5000 honoree, Virtual-Q now shares a pedigree with Intuit, Zappos, Under Armour, Microsoft, GoPro, Timberland, Clif Bar, Patagonia, Oracle, Box, Grubhub, and dozens of other alumni that have gone on to become household names.

Congratulations to you and your team. You should be extremely proud of all Virtual-Q has achieved to date.

I sincerely hope I'll have the opportunity to meet you and your team at the Inc. 5000 Conference & Gala this October in Phoenix. You've certainly earned the right to celebrate.

Sincerely,

Scott Omelianuk
Editor-in-Chief, Inc. Media
